

Polish School of Medicine Memorial Fund Scholarship Programmes 2021/22

Call for Scholarship Applications

Edinburgh Level 2 Cardiac CT Course 7-11th February 2022

Closing Date for Applications: 17.00hrs November 18th 2021

Late applications will NOT be considered

Introduction

The Polish School of Medicine Memorial Fund supports a thriving scholarship programme which enables successful applicants to undertake a period of further study or research at The University of Edinburgh Medical School and related institutions.

The Course: The February 2022 Edinburgh Level 2 Cardiac CT course will be delivered in an on-line format and as a face-to-face taught course in Edinburgh. These CT courses are delivered by experts in the field and are highly popular. Feedback from previous participants is very positive. Places on the course will be limited and are normally in high demand. For further information on the courses go to: <https://www.ct-academy.org/>

The Scholarships: A maximum of 4 scholarships (2 for the on-line course and 2 for the face-to-face course) will be available. The scholarship covers the cost of the course fee at the trainee rate for on-line participants. For those attending the Edinburgh based version of the course accommodation will be provided from the 6th February until the morning of 12th February 2022.

Eligibility

These scholarships are open to **Polish medical doctors in training** involved in cardiovascular imaging who are:

- in their early career (*usually* within 10 years of their medical graduation - MB ChB equivalent)
- working in Polish Medical Academies/Universities and Research Institutes
- committed to the further development of expertise in the field of cardiovascular imaging in Poland and
- have excellent mastery of English
- able to attend the course for its full duration
- agree to their applications and contact details being shared with the course organisers.

Successful applicants are required to confirm in writing that they will:

- attend the course in full and not arrive late and/or depart early;
- submit a short report of their experience on the course by e-mail to the Scholarships Coordinator within one month of its completion:

The expectation and intention of the founders of both The Polish School of Medicine Memorial Fund and the Boloz-Kulesza Trust Fund Scholarship Programmes are that successful applicants will return to their units/departments in Poland on completion of their attachment/studies, use their new found skills to further enhance and develop Polish medicine including medical research and thus foster academic links between Polish Medical Universities and Research Institutes and The University of Edinburgh.

Closing Date for Applications: 17.00hrs Thursday 18th November 2021. Late applications will NOT be considered

Please note: Successful applicants should not apply for the course directly. This will be done by the Scholarship Coordinator on their behalf.
